Shahid Anwar

INTERNATIONAL MATHEMATICS EDUCATOR

IB Diploma · Cambridge A-Level & IGCSE · Edexcel · 16 years

PROFILE

Creative, forward-thinking Mathematics educator with 16 years in international schools, teaching IB Diploma Mathematics, KS3, Cambridge IGCSE and Additional Mathematics, AS/A-Level, Further Mathematics and Edexcel. Waterloo postgraduate and PGCE-qualified, with a record of excellent outcomes, inquiry-based teaching and purposeful innovation. Former Head of Upper Secondary Mathematics and pastoral leader, contributing to staff wellbeing, learning principles, IB accreditation and professional learning across the Dipont network.

SELECTED IMPACT

100%
A/A* in Cambridge A-Level Further Mathematics, 2022 cohort

30+
schools reached through Dipont's Mathematics subject panel

2-year
AS programme introduced and led, widening academic pathways

2025
Presenter, Dipont Annual Conference; Certificate of Appreciation

EXPERIENCE

Dipont School of Arts and Science, Wuxi — Aug 2018 – Present

Mathematics Teacher & Educational Leader · formerly Nanwai King's College School Wuxi

- Teach IB Mathematics SL/HL, KS3, Cambridge IGCSE and Additional Mathematics, AS/A-Level and Further Mathematics, and Edexcel; supervise Extended Project Qualifications.
- Design rigorous, differentiated lessons and targeted interventions that build reasoning, confidence and progress from varied starting points.

Head of Upper Secondary Mathematics — 2022 – 2025
Led curriculum and assessment development and student support; ran a whole-school Numeracy Week recognised by school leaders and families.

Head of Upper Secondary Staff Wellbeing — 2023 – 2024
Organised monthly activities to support staff wellbeing and strengthen collegial connections.

Head of Bowen House — 2020 – 2023
Energised house culture through an anthem, eagle mascot, identity campaigns and creative participation initiatives.

CORE EXPERTISE

- IB Mathematics AA SL/HL
- Cambridge IGCSE
- A-Level & Further Maths
- Edexcel
- KS3
- Assessment for Learning
- Inquiry-based Teaching
- Differentiation & Intervention
- Curriculum Design
- Academic & Pastoral Leadership
- Teacher Professional Development

PROFESSIONAL DEVELOPMENT

IB Mathematics
Category 1 & Category 2 workshops

Inquiry Maths Workshop
Dr Blair, Inquiry Maths

Aspiring Impact: Leadership for Growth
Dipont HQ, 30 hours

Cambridge Active Learning & AfL in Mathematics

Evidence-Based Learning: Structuring

Cambridge IGCSE & A-Level Mathematics; IGCSE ICT

Dulwich Shanghai Unconference
Looking Back to Look Forward

Teaching ESL Students in the Mainstream Classroom
Lexis Education

WHOLE-SCHOOL CONTRIBUTION · DIPONT

- **Dipont Mathematics subject panel:** developed mathematical-curiosity strategies for a network of 30+ schools.
- **Co-chair, Secondary Learning Principles Committee:** shaped a research-based framework covering active engagement, self-regulated learning, inquiry, feedback-focused assessment and differentiation.
- **IB Accreditation Committee:** prepared accreditation documentation and met with IB representatives.
- **Student–alumni network:** founded a connection group in 2022 linking current students with graduates.
- **Movember:** lead organiser of the school's fundraising initiative since 2020.
- **Classroom wellbeing space:** created a dedicated area in the Mathematics classroom to support students.

EARLIER EXPERIENCE

Wuxi International School, Wuxi — 2012 – 2018

Head of Mathematics / IT · Mathematics, Physics & ICT Teacher

- Taught IGCSE Mathematics and Physics and Singapore Mathematics; led assessment design, teacher development and monitoring of student progress.
- Supported ICT curriculum development and technology integration, including the school's grading databases.

Future Angels International School, Pakistan — 2010 – 2012

Mathematics & Physics Teacher / Tutor

- Taught and tutored Mathematics and Physics for Intermediate and A-Level preparation, adapting support to individual needs.
